

New Dacia Logan MCV Stepway

1 July 2017

Welcome to Dacia

You've probably realised by now, but we're not your usual car brand. We began with the dream that more people should have the opportunity to own a new car. To make it a reality we created a range that combines space and quality at an unbelievable price. We believe in function over frivolity and that by being simple, reliable and smart we can make a real difference.

Dacia's are cleverly designed, reassuringly robust and incredibly reliable. They're also shockingly affordable because we only ask drivers to pay for what they need, not the fancy extras they'll never use. It's an approach that has rewarded us with incredible growth across Europe since 2004 and won us more awards than we know what to do with.

We hope you like what you see and will join us in the Dacia family.

Our awards

We don't tend to make a song and dance about our cars. It's not our way. But that's fine, because lots of people are happy to do it for us.

When it launched in the UK in 2013, the Dacia Sandero won the What Car? Best Small Car Under £12,000 award. It's gone on to win it every single year since.

Dacia was also voted the 4th most reliable car brand in the 2016 Which? Car Survey – receiving a 90% satisfaction score based on feedback from more than 59,000 UK car owners reliability survey.

It just goes to show – if you refuse to compromise, anything is possible.

Introducing New Dacia Logan MCV Stepway

We knew we had a great thing with the Logan MCV. But complacency isn't our thing. So say hello to the newest addition to the Dacia family: the Logan MCV Stepway.

Our brand-new car is family-friendly and really practical. It still has the best boot capacity in town, at 573 litres that bumps up to 1,518 when you fold the back seats down. Suitcases, furniture, camping gear; the Logan MCV Stepway can fit them all – and the kitchen sink!

What about the sturdy SUV styling? We've raised the ride height, given it a brand-new wheel design, and satin chrome skid panels. This all means that the Logan MCV has never looked more adventure-ready.

It's not just a pretty face, either. It's got loads of useful features like the heated, electronically-adjustable door mirrors for optimum visibility. Plus, getting where you need to go is easy as pie, with rear parking sensors, an optional rear parking camera, and handy hill-start assist.

As well as the LED daytime running lights, we've added front fog lights to maintain a clear view of the road, whatever the weather throws at you. And as you'd expect from Dacia, the engine's got great fuel economy so doesn't cost the earth to run. The dCi 90 diesel engine reaches over 72mpg on the combined cycle*.

The inside of the Logan MCV Stepway has just as much going on as the outside. Like the futuristic yet surprisingly easy-to-use MediaNav Evolution. It's got a clear 7" touchscreen and top-notch navigation to get you wherever you need to be. It packs a high-quality DAB radio, USB and AUX ports to keep you charged up and entertained. It's even got Bluetooth®† to keep you connected on-the-go. Talk about multi-purpose!

Dacia Logan MCV Stepway. Off-road spirit. Family-friendly.

Discover the new 2017 Special Edition: SE Summit

As the name suggests, SE Summit sits at the top of the range. In addition to the Lauréate features such as electric front and rear windows, MediaNav touchscreen navigation and rear parking sensors, there's some extra kit for those who want the highest levels of equipment. It features a Dark Metal Flexwheel, exclusive new metallic colour (Nordic Grey), Burnt Orange interior and upholstery touches and a rear parking camera.

Equipment

All the standard features of Lauréate trim including:

- Cruise control and speed limiter
- Electric front and rear windows
- MediaNav touchscreen navigation
- Rear parking sensors

Plus the following additional equipment as standard:

- Exclusive metallic paint: Nordic Grey
- Dark Metal Flexwheel
- Front central armrest
- Rear parking camera
- Exclusive Stepway orange trim upholstery
- Burnt Orange air vent surrounds
- Burnt Orange central console surrounds

Colours

Nordic Grey (KPV)

Wheels

16" Dark Metal Flexwheel

Engines

At Dacia, we believe that having an affordable car shouldn't mean having to compromise on engine quality. Rigorous testing of Dacia engines is carried out at our state-of-the-art test centres, with each variant undergoing 20,000 hours of running on the test bench and 800,000 kilometres of test driving.

The New Dacia Logan MCV Stepway offers you two types of engine.

The TCe engine brings you more performance without excessive price. Thanks to turbocharging technology, the TCe 90 produces 90 hp from its 3-cylinder, 900cc engine, yet still achieves 55.4 mpg combined and CO₂ emissions of 115g/km*.

For those seeking ultimate fuel efficiency, the dCi 90 diesel engine achieves 72.4 mpg combined and only 100g/km CO₂*.

Range Overview

For prices, please refer to the Dacia Price Guide available at your local dealer and on www.dacia.co.uk

Version Name	Engines	Euro Status	HP	CO ₂ g/km*	VED Year 1 [‡]	Combined Fuel Consumption (mpg)*	Benefit in Kind	Insurance Group
Lauréate	TCe 90	6	90	115	£160	55.4	22%	7E
	dCi 90	6	90	100	£120	72.4	22%	9E
SE Summit	TCe 90	6	90	115	£160	55.4	22%	7E
	dCi 90	6	90	100	£120	72.4	22%	9E

* Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk ‡ Vehicle Excise Duty: first 12 months.

New Dacia Logan MCV Stepway

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.co.uk. Alternatively, you can call our Dacia Customer Services helpline on 0344 3351111.

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in the UK and Northern Ireland for the first 3 years / 60,000 miles*, in line with the terms of the standard manufacturer's Warranty.

Servicing

The service interval on all versions of Dacia Logan MCV Stepway is 1 year or 12,000 miles, whichever limit is reached first. Your local Dacia main dealer is fully equipped to service your Dacia Logan MCV Stepway.

For customers who prefer to budget their costs monthly we offer the options to pay for servicing through finance. For more information please refer to your Dacia dealer or the Dacia Price Guide.

For full Service Plan terms & conditions please visit www.dacia.co.uk/services-and-finance/service-plan

Warranty

Your new Dacia is covered by a standard 3 year / 60,000 mile* warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. Extended warranties may be purchased at any time up to one year after the first date of registration. You can choose to extend your Warranty to the following levels:

- 5 years / 60,000 miles*
- 7 years / 100,000 miles*

For full Warranty Terms & Conditions visit www.dacia.co.uk/services-and-finance/warranty

* From first date of registration. Expires on the first of the two limits reached. Subject to status, terms and conditions apply. The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Dacia UK reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Dacia Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
